Values for number of winners, placed horses, total rides and win percentage are displayed by various criteria. The values are extracted from the past twelve months results for turf racing only.

The following statistics criteria are included.

- All runners. This includes a rating as described in the Trainers topic.
- Runners at Happy Valley and Sha Tin. This also includes a rating derived from results at each course.
- Runners at sprint, mile and middle distance ranges.
- Runners for each jockey that rode for this trainer in the past year.
- Runners with various rest day ranges since they last ran
